

How does **SOCIAL FINANCING** innovate social service delivery?

HOW DOES IT WORK?

01

BEGIN WITH SOCIAL PUBLIC-PRIVATE PARTNERSHIPS

Government, private and social sector in partnership to create innovative solutions to social issues.

02

MEASURE SOCIAL IMPACT

1. Define social issues
2. Identify social indicators and baselines
3. Measure unit cost of social services

Information from a **Social Progress Assessment** provide data for measuring social impact and allows for enhancement.

03

FACILITATE DESIRED SOCIAL OUTCOMES

Social Outcome Fund, a facilitation fund to catalyse social financing pays for agreed interventions that yield 1.5x value.

“Social Financing is about solutions for social impact that fulfill desired national outcomes.”
